INTERVITIS INTERFRUCTA

International Technology Trade Fair for Wine, Fruit and Fruit Juice
22 to 26 April 2007 Messe Stuttgart

Fruit juice technology

Accompanying programme for the fruit juice sector

The national and international fruit juice industry uses INTERVITIS INTERFRUCTA for their conferences and board meetings.

Parallel to its general meeting on 24 April 2007, the Association of the German Fruit Juice Industry (VdF) will be organising a business symposium at the Stuttgart Trade Fair Centre, to which around 100 members from the industry are expected. The European Fruit Juice Association (AIJN) will be holding its technical committee meeting and executive board meeting. On Wednesday, 25 April 2007, an EQCS workshop on the European quality control system will take place. The International Fruit Juice Union plans to hold a meeting of its committee on legal affairs.

Welcome to Stuttgart!

Enjoy the Swabian way of life in one of the most fascinating German cities.

Combine your trade fair activity with a visit to the newly opened Mercedes-Benz-Museum, or enjoy an evening in one of the old town's wine bars. Go shopping in Königstrasse, or take a walk among the vineyards right in the centre of town. Have a trip to Esslingen or Tübingen and get to know the romantic side of south Germany. With its many tourist attractions, Stuttgart offers something for all tastes.
